JUNIOR COUNCIL

Standing, Left to Right: Barbara Hall, Mary Lou Moore, Bettie Vesley, and Dixie Bartlett.
Sitting, Left to Right: Mary Jo Reynolds, Elsie Mae Lawrence, and Warren Hall.

JUNIOR CLASS HISTORY

It almost seems impossible that the Junior Class has been at Hermitage four short but wonderful years. Although this class has always taken an active part in school activities, they have participated in even more activities this year.

Leading them in class activities were: Kate Hegnsle, President; Carol Bevell, Vice-President; Anne Norris Myers, Secretary; and Donnie Holmes, Treasurer. These officers worked very hard to make this a successful year.

The Juniors participated in many S. C. A. activities such as plays, clubs, and committees.

Many class members led in a responsible way in these activities.

The Class had a part in our undefeated football

season with several Junior boys working hard to help the team to victory. On the basketball court and on the baseball diamond the Juniors were an essential part of the Fighting Panthers. Although all the Juniors couldn't play on the team the class supported all of the games, cheering them on to victory.

The Junior class leaders were recognized for their achievements by being tapped into the Beta Club. This was a high award and the class was very proud of the Junior Betas.

The year was climaxed with the Junior-Senior Prom, which was truly wonderful.

After this very successful year, they feel ready for their senior year and they plan to make it the very best yet!

Sitting, Left to Right: Mrs. Everett, Mrs. Wardlaw, Miss Jackson, and Mrs. Kersey. Standing: Mrs. Banks, Miss Brinson, Miss Moody.

SOPHOMORE COUNCIL

Left to right: Sherry Douglas, Bob Hodder, Joan Seal, Barbara Peatross, Barbara Tomlinson, Carolyn Abernathy, Carlton Lukhard, Allen Young.

Upper classmen at last—and active ones, too. The officers leading the class this year were: Allen Young, President; Barbara Isbell, Vice-President; Nancy Hallam, Secretary, and Sheila Galloway, Treasurer.

Members of the Sophomore Class participated on the junior varsity football, basketball, and cheerleading squads. Also, some of the boys played on the varsity teams.

Each year the class has had a very successful class party and they have also participated in Stunt Night, May Day, The Christmas Pageant, and play productions.

Members of this class were found taking an active part in almost every school club and committee. Thus they have been a very essential portion of the Hermitage student body and aimed always to make her proud of them.

SPONSORS: Mrs. Easley, Miss Morano, Miss Ward, Mr. Glover, Mrs. Perkins and Mrs. Moore.

FRESHMAN COUNCIL

Left to right: Susan Harless, Lucille Stone, Diane Light, Alice Hall, Gayle Crabill, Jackie Barnum, Betsy Rocks.

FRESHMAN CLASS HISTORY

The main objective of the Freshman Class this year was to have a successful party. They elected the council early in the year and they began work soon thereafter with the officers and sponsors. Committees started to work and under able supervision carried out a very successful party.

The Freshmen entered more school activities and began to take a leading part in many organizations.

The class strived for more unity, as this was their first year of really working together. They worked to achieve their goal, looking ahead to their future years at Hermitage.

EIGHTH GRADE COUNCIL

Left to Right: Linda Bryant, Maria Taylor, Judy Armstrong, Janice Lawson, Pat Foster, Virginia Hodder, Billy Tennet, Bobby Maxwell, David Culler, Wayne Weis.

EIGHTH GRADE HISTORY

The eighth grade class began the year with the usual rush and happy expectations. This year a new program of orientation was begun from September 15 through October 28. The purpose of this period was to show the eighth grade class the many opportunities offered them at Hermitage. As a result of this Orientation program the students felt more at ease and much more familiar with the various activities of the school.

The eighth graders have participated in many of the try-outs for different activities such as cheer-leading and the class for majorettes.

For the first time in the history of Hermitage the eighth grade elected class officers. Those leading the eighth grade were: Fred Falkenstein, President; Skipper Donahoe, Vice-president; Virginia Hodder, Secretary; and Rex Collins, Treasurer.

This group of eighth grade students seems to have a very promising future.

Left to Right: Mrs. Scruggs, Mrs. Sease, Mrs. McAteer, Mrs. Sim, Mrs. Smalley, Miss Tiller, Miss Dukes, Mrs. Reames, Miss Pittard, Mrs. Boyd, Mrs. Mullins, Mrs. Osborne.

ORGANIZATIONS

Left to Right: Robert Johnson, Secretary; Baker Lumpkin, Treasurer; Warren Hall, Vice-President; Mrs. Culpeper, Sponsor; Nancy Chiles, President.

STUDENT COOPERATIVE ASSOCIATION

The Student Cooperative Association played a most important part in the school life at Hermitage. Nearly all Hermitage pupils were affected by this student government body in one way or another.

The student council was made up of one representative from each homeroom. These students were required to maintain a "C" average since the meetings were held during class time.

The S.C.A. sponsored all the clubs and committees that met at activity periods on Wednesdays and Fridays.

This group had many responsibilities, but without the guidance of their sponsors, Mrs. Nora Culpeper and Mr. Henry Jett, their functions would not have been successful.

The Fall Festival, Three Act Play, May Day and Christmas Pageant were only a few of the activities this group sponsored.

THE STUDENT COUNCIL

and its many activities

One of the greatest honors of high school life goes to the outstanding students at Hermitage when they are tapped into the Beta Club. This year, the usual thrill and excitement was felt by all during the bi-annual Beta tapping services. Naturally the old Beta members gave a rollicking initiation party for the new tappees.

Beta members worked hard this year on several projects which included buying and presenting a pulpit Bible to the school, putting shelves in the newspaper and yearbook rooms, collecting paper, conducting a tour of the school for next year's eighth grade, and entering a car in the Fall Festival Parade. The club also attended the State Beta Convention held in Roanoke on March 11 and 12. There they presented a musical skit during the talent show.

The Beta members of Hermitage always try to live by their motto, "Ducemus aliis serviendo," "We lead by serving others." They take pride in their club and strive continuously for its high standards of honesty, leadership, achievement, service, and scholarship.

The Quill and Scroll, established last year, has spent this year working and organizing. In order to remain an honor for students who achieved distinction in various literary publications, the Quill and Scroll sought to keep its standards high. New members were inducted twice this year. This organization has tried to offer a challenge to all students to work harder in order that they might receive literary distinction. This included both the business and editorial staffs of the yearbook and newspaper.

GIRLS' GLEE CLUB

The Girls' Glee Club has grown into a hard working choral group this year. With the original ideas of Mrs. Lillian B. Smalley, the Club's capable director, and the enthusiasm and spirit of the girls, the group has really produced some expert numbers.

The group was divided this year for the first time and they practiced every day during third and sixth periods.

Mary Jean Robinson accompanied the Glee Club in all of its performances. The Glee Club sang at the Community Chest Luncheon, for the Dumbarton P. T. A., for a student assembly, and in the Christmas Music Program. They participated in our school music festival and also in the state music festival.

Mrs. Smalley and the girls really did enjoy working together to produce the good harmony and spirit typical of this Hermitage group.

programs here at school. They also took part in the program presented at Bethlehem Baptist Church for the Dumbarton P.T.A.

We hope they will continue entertaining us with their enjoyable programs.

NEWSPAPER CLUB

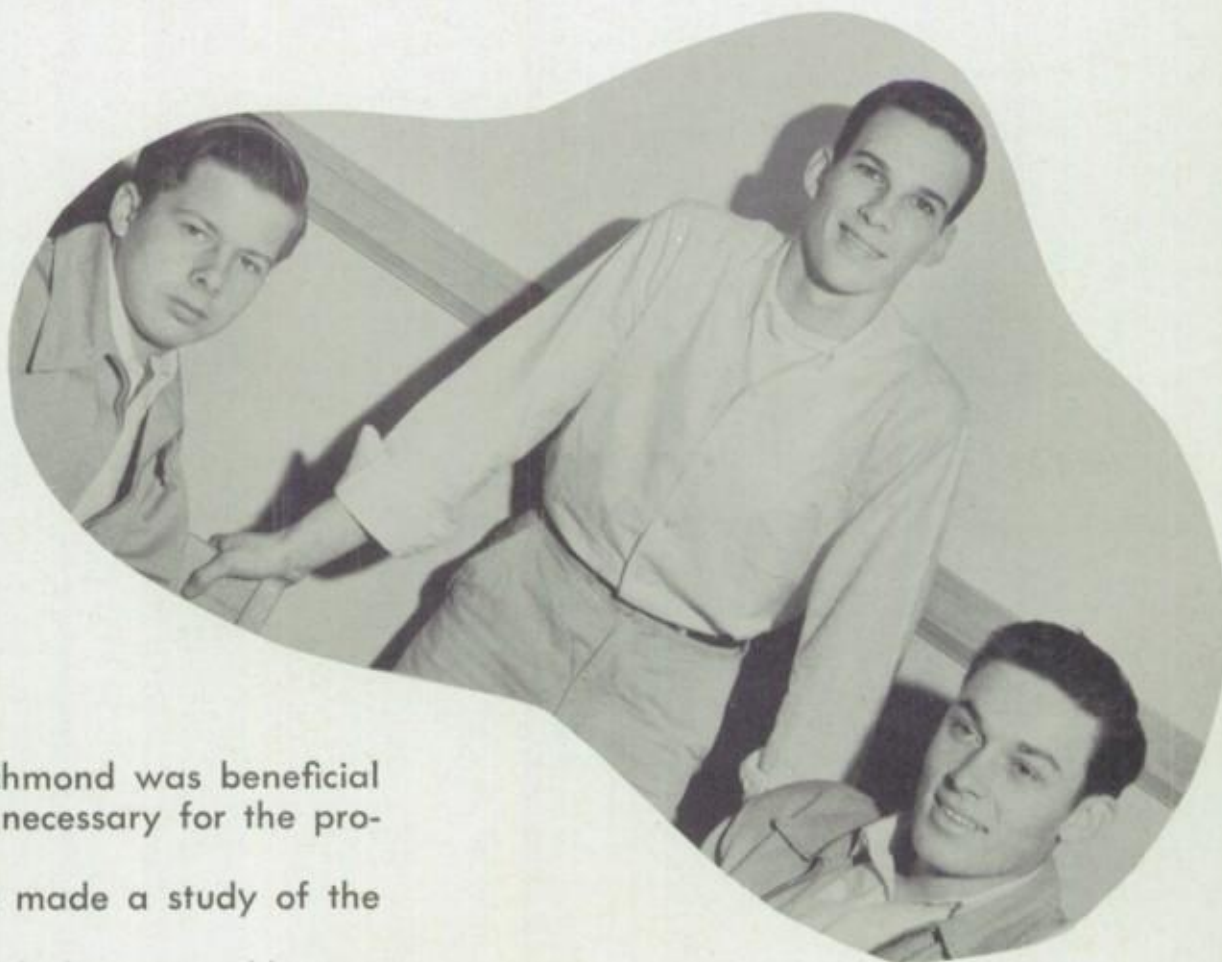

The Newspaper Club, under the supervision of Mrs. Carrie Barker, had a membership of thirty during the past year. The larger portion of these members were from the eight and ninth grades. There were, however, several upperclassmen in the club.

The group gained its knowledge of newspaper principles mainly through observing and comparing exchange papers from other local high schools.

A tour of the newspaper plant in Richmond was beneficial in showing them all the required work necessary for the production of a paper.

In conclusion for the year, the group made a study of the operation of the Hermitage newspaper.

Presiding officer for the organization which met weekly was Bob Mallory. He was assisted by G. A. Ward, vice-president, and Danny Bruffey, secretary.

JUNIOR RED CROSS

The Jr. Red Cross was one of the community serving groups organized throughout the school.

During the year the group sponsored many projects with the main purpose of promoting world-wide friendship. The club presented programs to McGuire's Hospital and the Home for Incurables as well as having courses for the members themselves in First Aid, Home Nursing and Staff Aid.

The Jr. Red Cross plays a very vital part in the community life of Hermitage.

To furnish entertainment and programs of interest to all members of the lower classes was the goal of the Lower Class Auditorium Planning Committee this year. They have presented various programs and had several guest speakers, who spoke on topics which were beneficial to all of those present.

The lower classmen all owe a vote of thanks to this committee, which is composed of members from their classes, for the fine programs presented by it this year.

During the Christmas season, devotionals were given by local pastors and they added greatly to the true spirit of Christmas. A devotional assembly was held each month and they proved helpful to all the students.

The committee engaged a tumbling act which was an extremely interesting program.

Many organizations gave programs such as a talent show, The Christmas Pageant and the Beta Club Tappings.

The Music Department contributed two excellent programs this year.

The committee was made up of four students from each class.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is a national organization composed of students who are taking or have taken a homemaking course.

The F. H. A. has eight purposes and the program of work was centered around these.

A number of the girls received their degrees of achievement which are Junior Chapter and State.

The chapter supported the UNESCO gift coupon plan and at Christmas helped a needy family.

The state project is the F.F.A.—F.H.A. camp at Smithfield, Virginia. Some of the girls attended this camp and had a week of fun and enjoyment.

The F.H.A. had chapter meetings on one Friday a month when panel discussions, talks by the county home demonstration agent, and also helpful programs were presented to the entire group.

During class time the F.H.A. also held sectional meetings to plan their projects and give more people a chance to lead.

The Future Homemakers of America has been an active organization this year, striving to prepare its members to meet the new horizons of the future.

FUTURE BUSINESS LEADERS OF AMERICA

The members of the Future Business Leaders of America have met on alternate Fridays at activity period and on every second Thursday night of each month.

Their purpose for the past year has been to help create more interest in business education. Throughout the past year they have tried to carry out this purpose by having such projects as working in the supply room, typing for teachers, ushering at the P.T.A. and registering the teachers at the V.E.A. convention.

Their programs included speakers, plays concerning the business world, and an employee-employer banquet. They also participated in the state project which was interviewing employers and getting their opinion of the appearance of the ideal office worker.

They participated in the regional convention in March at Mary Washington College, and the State Convention held in April in Richmond at the Hotel John Marshall.

CAMERA CLUB

This year, for the first time, the club was divided into two sections—one for upper classmen and the other for lower classmen.

Some of the projects taken on by the Camera Club during the year included fixing up the dark-room, teaching the new members the fundamentals of printing and developing prints, and learning the principles of photography. In the spring they took several field trips to try to capture nature through a camera.

By the photo contests they have sponsored they have stimulated a wide interest in photography throughout Hermitage.

ODDS AND ENDS CLUB

The Odds and Ends Club met this year with one main objective, to learn new constructive things to do in spare time. At the meetings they learned how to do different things and then they took the ideas home and applied them.

Among the things they learned were textile painting, painting on glass, knitting, house decorations such as Christmas decorations, flower arranging, wrapping packages and many other interesting projects that could be carried on during leisure hours.

DRAMATIC CLUB

This year the Dramatic Club, under the sponsorship of Mr. Robert Bruce Johnson, Miss Katherine Earnest, Mrs. Dorothy McAteer, Miss Elizabeth Bethune, and Mrs. Audrey Saupe, worked toward furthering interest in and learning more about dramatics. This group studied acting and also make-up, stage direction, construction of scenery, and stage terminology. They analyzed the plays given at Hermitage and the audience reaction to those plays. They studied good plays, how they were made up and how they could enjoy them more. They tried to make the other students of Hermitage appreciate and enjoy these productions more, too.

LATIN CLUB

The Latin Club was resumed this year under the sponsorship of Miss Selma Ward. The first activity of the year was a party and an assembly held with the other language clubs. Among its other major projects of the year was the Roman Banquet held in April during "Latin Week".

The objectives of the Latin Club were to help gain a better knowledge of Roman culture, and to help people realize that "Latin lives today". Other goals were to better their understanding of the English language through Latin, and to help increase their English vocabulary through Latin derivatives.

FRENCH CLUB

Anyone could see by the activities of the French Club that its goal was to further foreign relations by acquainting the student body with the French Language and the customs of the French people.

Members participated in a skit which portrayed Christmas in a French family. The skit was given at the language party, which the club sponsored along with the other language clubs, and was presented, also to the upperclassmen in an assembly.

Club members wrote to foreign exchange students. The French club also invited Roger Hollard, a ministerial student from France, to visit Hermitage.

The club was under the most able sponsorship of Miss Maria Jackson.

S P A N I S H C L U B

The Spanish Club, or "Las Cucharachas" which means "The Cockroaches," was designed so that students could carry their knowledge of Spanish outside of class and could learn more of our Spanish speaking neighbors.

The Spanish Club began their busy year with a Christmas party in cooperation with the French and Latin clubs, during which each gave short skits. They also held a Christmas assembly program with the French and Latin clubs.

During the year they took part in state tournament tests and sponsored the annual Spanish Focus Week, when they published a newspaper in Spanish.

Also the club was able to establish contacts with native Spaniards by inviting them to club meetings and corresponding with students in Spanish speaking countries.

The highlight of the year was a trip to a neighboring Spanish speaking country during the summer.

SENIOR 4-H CLUB

The Senior 4-H, an organization formed to build better agricultural minded citizens, is a national organization. One project this year was keeping the school clean by picking up trash. Many members have also entered county, district, and state contests.

The Senior 4-H has done much this year to develop its members into well rounded citizens.

JUNIOR 4-H CLUB

The membership of the Junior 4-H Club was composed of eighth graders who worked much like the Senior Club.

During the year they participated in Junior 4-H contests and also had special projects.

The girls participated in clothing projects and the boys participated in farm and home safety projects.

The entire club worked together on a health project and also worked with Senior Club committees on a project of yard improvement.

PEP CLUB

To promote school spirit has been the purpose of the Pep Club this year. The club has tried to create loyalty to the school by supporting all activities and by having respect for school property and rules. It has made a special effort to increase good sportsmanship at games and at activities between Hermitage students and other schools.

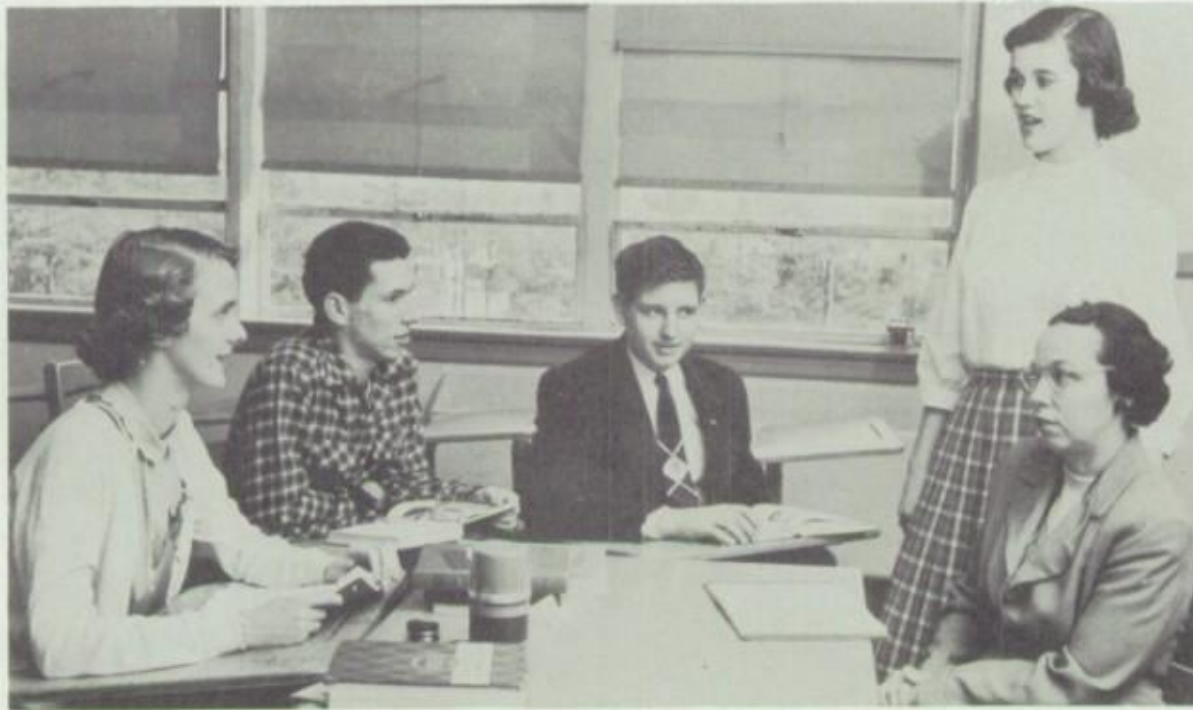

The Pep Club's major project was the weekly Wednesday night dance at the Lakeside Community House. This was very popular throughout the year. They also sponsored a dance at the school, and they illustrated cheers with the use of flash cards at pep rallies.

The Literary Club, under the direction of Mrs. Elaine Everett and Mrs. Frances Perkins, had a membership of seventeen. The group was divided into two parts—one studying debating, the other prose and poetry.

The club's purpose was to prepare the students

for the literary meet that was held in Charlottesville in the spring. The state Forensic Meet presented competition from all over Virginia. There our teams well represented Hermitage in the fields of debating, poetry reading, public speaking, spelling and prose reading.

"To grow as a person; to grow in friendship with people of all races, religions, and nationalities; to grow in knowledge and love of God," is the Hermitage Y-Teen Triangle goal.

During the past year Y-Teen Triangle I has worked toward this goal by participating in various service projects, not only city-wide activities in affiliation with the Young Women's Christian Association, but also world-wide projects which send Christian spirit and friendship to people of other countries. This year the girls filled Thanksgiving baskets for a needy family, entertained at the Home for the Incurables, raised money for various service projects with a talent show, and supplied a family with food, clothing and toys for Christmas. By conducting themselves in this Christian manner of "loving thy neighbor" they encouraged others to love God.

The Y-Teen Triangle II which was a year old in March worked together as a Y group to grow in friendship with people of all races, religions, and nationalities. They also worked to grow in the knowledge and love of God.

To further their purposes they sponsored fund-raising projects. The money went to bring happiness to less fortunate people. In order to establish a closer relationship between the United States and other countries, they sent stuffed toys to a needy nation to bring joy to some boy or girl there.

They worked with other Y-Teens of the city to bring about Christian fellowship among everyone.

CHAMPS IN ACTION

This year, with renewed spirit and enthusiasm, the Fighting Panthers made a miraculous come-back. With Jack DeBolt and Tommy Giles as co-captains, the team came through the season unbeaten, winning the titles of City Champions and Central District Champions.

Coaches Miller and Brown.

Without the leadership of the coaches, Chester Fritz assisted by "Weenie" Miller and John Brown, the team couldn't have done as well as it did.

Hermitage was very proud of the fine spirit and good teamwork shown by the Panther football team.

Their schedule this year included games with Highland Springs, John Marshall, Manchester and Petersburg.

Although the season was not quite victorious, the J.V.'s experienced many things. The fundamentals and the experience of the game will help them to develop into our Varsity team in the coming years. Not to be forgotten also is the sportsmanship and the teamwork which they displayed throughout the entire season.

CHRISTMAS PROGRAM OF MUSIC

"O Come All Ye Faithful", "Joy To The World," and many other Christmas favorites rang out from the auditorium on December nineteenth and December twenty-second, for the Glee Clubs were presenting a program of Christmas music. As Bobby Stansell, who acted as Joseph, husband of the Virgin Mary, told the story of the birth of Christ, the Glee Clubs joined in by sing-

ing a selection of beautiful Christmas songs.

The program was an impressive one and helped to fill everyone with the true spirit of Christmas. However, it would not have been possible except for the patient and capable direction of Mrs. Lillian Smalley and Mr. Joseph Childers and the hard work of the Glee Clubs.

THE SENIOR CLASS HISTORY

The Senior Class of 1955 entered their eighth grade year through the doors of Glen Allen High School. There they each found several hundred other students just as lost and bewildered as they. Soon, however, they felt at home and began to participate in the various school activities. Aspiring vocalists joined the glee club, and class room leaders were elected as Student Council and Red Cross representatives. The class exhibited their spirit and determination by placing one of their classmates in second place for "Miss Glen Allen". In the spring they enjoyed a picnic full of fun, frolic, and food, and also several members of the class took part in that unforgettable May Day dance, "In the Little Red School House". As June and the close of their first high school year came, several members of this eighth grade had achieved their letters, a distinct honor.

Their Freshman year found the class at the new high school, Hermitage. Once again they found themselves lost, but soon that feeling was gone and they entered into all the fun of school life. The boys made a place for themselves on the football and basketball teams while the Freshmen girls played J. V. Basketball and cheered on the J. V. boys. The class came informal to their very successful Freshman Hoe-Down. Class members had a part in the Dramatic, Literary, Journalistic, and club activities as they worked hard in all these fields.

Upper classmen—and active ones too. Two class members were elected to SCA offices, many clubs were headed by Sophomores, and play casts and publication staffs had many 10th graders as leaders. The Varsity and J.V. teams could not have done without the participation of Sophomore boys as they became a part of the "Fighting Panthers" on the gridiron, court, and diamond. Sports-minded girls played basketball too, while others cheered the boys on to victory. The class party was really fun as all the Sophomores showed off their finery. Several 10th graders were chosen to represent the school at district and state conventions, and a few participated in the State Forensic Meet. Sophomores were a valuable asset to the music department as they took part in glee clubs, the operetta, and the Christmas Pageant.

They entered their Junior year with enthusiasm and the will to work hard. Sixteen class leaders were recognized by being tapped into the Beta Club, a real honor.

The Quill and Scroll was reactivated and many Juniors were taken in as members. Again two Juniors were elected to SCA offices and in all school activities the 11th graders were really working and leading. The Varsity teams depended upon the abilities of many Juniors and the girls led the student body in cheers. Juniors were elected to state, district, and local offices as they showed superior leadership within and without the school.

In the spring the Juniors gave the traditional prom for the Seniors and it was a most wonderful one. Springtime also brought class rings, which all the Juniors showed off proudly. Three outstanding Juniors were selected to represent Hermitage at Girl's and Boy's State in July where they all were elected to offices.

Finally they became Seniors—and the leaders of the school. They were looked up to by the other classes and because of this they led by setting an example for others, as well as by holding offices. More members of the class earned Beta recognition and some also earned literary distinction through the Quill and Scroll. Class Thespians really out did themselves in the presentation of the Senior play, "Mother was a Freshman". The Senior parties were outstanding successes. The Senior boys led in making an undefeated football team and a winning baseball team. Seniors participated in basketball and track also. The Varsity cheerleaders were all Seniors and they did a grand job of boosting school spirit. Class members were found in all the plays—on stage and backstage. Publication chiefs were Seniors and staffs were also composed of many hard-working 12th graders. Members of the class of 1955 led and contributed to the music department, literary events, and all the clubs and committees. However, even though they were outstanding in all these extra-curricular activities, the Seniors found time to study too. This was evident in their grades as the Senior Class led in Honor Roll members in six weeks' periods. This was unusual and showed the class to be an outstanding one. In the spring the best looking members of the class ruled over the May Court with other Seniors participating in the festivities honoring the Queen and her attendants. After the last exam was taken and the last grades were in, the Senior Class held their Commencement Exercise. The Baccalaureate Service was held on the Sunday before graduation. On Friday—June 10th—the Seniors attended their last day of high school. That night they graduated. The graduating class of 1955 was the last class to attend Glen Allen, and the last class with students from both Tuckahoe and Brookland districts to attend Hermitage. It was a class that from its very first entrance into the doors of Glen Allen until its departure from the portals of Hermitage, had shown superior leadership, achievement, and scholarship.

The Mark of A Champion

When a young man can face the Business World with courage that he backs a line in football, and can take the bump that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The Life Insurance Business needs such men, so why not prepare yourself for a career in the Life Insurance Business. It's a business of opportunity for young men of ambition and vision.
